Likely won't need the entire 1.5hrs to discuss the PRP Master Draft (but just in case setting that time aside):

<< File: PRP MASTER - Apr 25 9am Draft.docx >>

If time should discuss PRP timing and path fwd (including annex 1 and annex 6 chapters) as well – this is my own thinking only, for reference:

<< Message: RE: could you send the latest PRP timeline/schedule/deadlines to us? END >>

Pls fwd to anyone who I've missed who needs to attend.
